

## COVID PROTECTION RANGE

If you soon reopen your company, restaurant, office or shop for your customers and employees, make sure you are well prepared! Protecting your visitors and employees by using protective screens is essential.

Designed in Belgium.

Are you interested or do you want a customised project?  
Feel free to contact us, we will guide you from start to finish!

## COLORS OF METAL PARTS

All our painting is epoxy based, baked in oven.  
We use metallic paint to achieve a particular soft shine.  
We have 5 standard colors, but we can do any RAL color  
if you order enough items.

BLACK MAT  
9005

GREY ANTRACITE  
7021

WHITE SATIN 9016

GOLD 1036

BRONZE 1035

## SECOND LIFE

You can transform all our standing screens yourself  
in a coat hanger, after the protection period.
